

In the War

Comrade S. H. Burris

of Lewiston, Ill., had some thrilling experiences, but none seemed more dangerous than that of his last heart trouble. He says:

"I had severe palpitation of the heart for years. The physicians said I was liable to drop dead at any moment. Palpitation at times would be 150 a minute and I could scarcely breathe. I grew worse under doctor's care and began taking Dr. Miles' Heart Cure. It gave me prompt relief, and today I am in good health."
